Horoscope Consultation :

Dear Nilam Madam,

As per your question related to property purchase there was a chance in 2012 to purchase property. Next chance you will get in between August to October 2023 but it is possible only with the help of relatives & family member's financial support.

You will get a Strong Chance to make a property in 17-12-2026 to 25-12-2026 & thereafter upto 24-04-2027

After 2042 in Mahadasha of Mars, you will definitely buy property on your name.

Your horoscope shows that mostly in your lifespan you will share living space with someone without paying i.e. your husband / family member is paying and you are living with him / her.

Better not to purchase a property on your name. Your horoscope planetary position is not favouring that you purchase a property on your name.

There are Ups & Downs in Financial status this year 2022.
